CITY OF NEW LONDON

Dear Property Owner,

Connecticut Public Act No. 05-223 and the City of New London Ordinance No. 04-17-06-7 requires all nonresident property owners to register a current residential property address with the City of New London. If the owner is an individual or a corporation, partnership, trust or other legally recognized entity owning real property in New London, the current residential address of the owner or agent in charge must be registered. "Address" is defined as a location as described by the full street number, the street name, the city or town, and the state, and not a post office box. Failure to comply with the address registration requirement will result in a \$250.00 fine for the first violation and not more than \$1,000 for any subsequent violation. We would appreciate your cooperation in bringing your property in compliance with this requirement by filling out the form below and returning it as soon as possible to:

Assessor's Office
181 State Street
P.O. Box 92
New London, CT 06320

Thank you.
