#### **Changes to prior Addenda:**

- No changes to addendum #1 or #2.

#### **Q&A:**

Q1. Does the City have a list of upcoming wastewater projects? This information would help us tailor the five references/qualifications to align with the specific type of wastewater work the City is seeking.

**A1. The WWPCA is looking into treatment facility enhancements, force main and pressure main inspection and rehabilitation and potential lining based on infiltration and inflow investigations.**

Q2. Is there an opportunity for the selected consultant to negotiate the terms of the contract?

**A2. The City's standard contract was included in the bid documents as an example, but can be negotiated as needed.**

Q3. How many firms does the City anticipate selecting for the On-Call work?

**A3. It depends upon the number of responses received.**

Q4. Would the City like an overview of BL Companies' qualifications beyond wastewater treatment—such as survey, site civil, structural, mechanical, electrical, plumbing, and instrumentation & controls—that may be relevant to the scope of potential projects?

**A4. These disciplines are integral to an engineering design and bid process. Yes, it would be beneficial.**

Q5. Can the City provide a list of questions and answers submitted by other firms participating in this bid?

**A5. All questions that have been submitted have been addressed via addenda.**

#### **General Items:**

- Please note the opening date and time has been extended to **January 10, 2025 @ 2:00 P.M.**
