Specifications for 87 Octane Unleaded Gasoline

The City of New London (City) is soliciting bids for the purchase of 85,000 gallons of 87 Octane Unleaded Gasoline for all municipal vehicles for the period from the date of award through June 30, 2015. The contract end date may be extended if the total number of gallons has not been delivered by June 30, 2015. The gasoline offered must meet all State of Connecticut and federal regulations and must be in compliance with ASTM D4814 and ASTM D975. The City also reserves the right to extend this contract for up to two (2) additional one (1) year periods at terms mutually agreeable to the City and the vendor.

The vendor awarded the contract to supply unleaded gasoline shall be required to make deliveries on an as needed basis as determined by the City's Public Works Department representative.. The City reserves the right to change the locations, tank sizes and quantities used. Vendors shall be expected to accept such changes without adjustment to the contract price.

Qualifications of Bidders

All bidders must have at least one (1) fuel terminal located within the State of Connecticut from which they have an agreement to obtain product. Bidders are to submit the name and address of the terminal located in Connecticut, and the name and telephone number of a contact person at the terminal. Bidders are to submit a certificate to confirm that they have an agreement with said petroleum fuel terminals within the State of Connecticut. The City reserves the right to confirm these certificates throughout the term of this contract.

All bidders shall be established dealers and distributors that have been in the operation of selling diesel fuel for a minimum of two (2) years. The successful vendor shall be liable for any damages or injuries caused by the vendor, its agents, employees and contractors in the performance of the contract with respect to City buildings, grounds and equipment, including product spills during delivery. The vendor shall comply and honor all applicable local, state and federal laws and regulations applicable to the sale, delivery and transport of the product described in this bid.

Additional Requirements

Meters – Delivery of fuel shall be metered at the delivery point. Gasoline delivery trucks must be equipped with meters to accurately measure the quantity of fuel delivered. The meters must be sealed in accordance with regulations established and enforced by the State of Connecticut Department of Consumer Protection, Division of Weights and Measures. The City reserves the right to cancel and/or refuse deliveries from any vehicle with a broken or unsealed meter. All meters must be equipped with a ticket printer that shall provide a printed receipt with an accurate accounting of the fuel delivered. Delivery tickets shall be locked in the printer from the start of delivery until the delivery is completed and recorded.

Printed receipts shall contain the following information:

- City of New London delivery location
- Street address
- Product type
- Vendor's name and address
- Delivery date
- Vehicle registration number
- Signature of a City of New London representative
- Signature of the vendor representative making the delivery

All motor transports and tank wagons owned or subcontracted by the awarded vendor and used to deliver gasoline product must have the meters certified every six (6) months by the State of Connecticut, Department of Consumer Protection, Division of Weights and Measures.

Prior to purchase order issuance the awarded vendor shall furnish proof that the meters used on its delivery trucks have been sealed and certified and its company is in compliance with all State of Connecticut, Department of Consumer Protection applicable regulations for the term of the contract.

Vapor Recovery Systems – All bidders shall ensure that all necessary equipment is available to handle Stage 1 and Stage 2 vapor recovery systems as applicable. The awarded vendor shall utilize the proper equipment and use the system to comply with State of Connecticut, Department of Environmental regulations.

DMV Vehicle Safety Requirements – Vehicles used for the delivery of gasoline shall not be in violation of any State of Connecticut, Department of Motor Vehicles or Federal Motor Carrier Safety Administration safety regulations. Vendor performance may be subject to State of Connecticut, Department of Motor Vehicle review. An unsatisfactory compilation of safety regulation violations over the past thirty (30) months may result in rejection of your firm's bid or contract termination.

Delivery Schedule – Deliveries shall be made on an as needed basis as determined by the City's Public Works Department. Requested deliveries shall be made within twenty-four (24) hours of the request. The minimum delivery requested by the City shall not be less than 2,000 gallons. Special attention must be paid to the Public Works Department with regard to predicted winter storms.

Routine deliveries shall be made Monday through Friday from 7:30 A.M. to 4:00 P.M.

Spillage – The successful vendor shall be responsible for ensuring that its company representative delivering product to the City facility provides constant surveillance at the point of product transfer and in accordance with the following emergency guidelines:

FOR PRODUCT SPILLS DURING NORMAL BUSINESS HOURS – The following people and/or agencies shall be notified:

The site facility supervisor
The City of New London Fire Department, Tel.: (860)447-5252
The State of Connecticut Department of Environmental Protection Emergency Spill Reporting Office, Tel.: (860)424-3338

FOR PRODUCT SPILLS AFTER NORMAL BUSINESS HOURS – The following people and/or agencies are to be notified:

The site facility supervisor (if possible)
The City of New London Fire Department, Tel.: (860)447-5252
The State of Connecticut Department of Environmental Protection Emergency Spill Reporting Office, Tel.: (860)424-3338

Declared Emergency – In the event the City is preparing for an emergency as designated by local, state or federal officials, the City shall notify the vendor by telephone and request that the fuel tank be "topped off". The delivery shall be made as promptly as possible. The awarded vendor shall be subject to provide delivery under any conditions providing truckers of similar vehicles are maintaining their trucks on the road.

Filling of Tanks – If the vendor places the product in the wrong tank it shall be liable for all costs associated with removal of product from the tank and all other costs that are incurred as a result of its error. The vendor's representatives should contact the on-site supervisor if they are unsure of the location of the tank.

Tank Location – The City's gasoline tank is located at the Public Works Complex, 109 Crystal Avenue, New London, CT. Tank capacity is 10,000 gallons.

There is also a 1,000 gallon fuel tank in the Shaw's Cove Pumping Station, 440 Bank Street, New London, CT.

Tank Access – The City shall make every effort to ensure that access to the tank is kept clear of debris and free from obstacles.

Tank Overfill – The successful vendor shall be responsible for any overfilling of tanks and for any and all damages and costs incurred. It shall also be responsible for all costs related to the complete clean-up of the area and for the proper removal and disposal of all clean-up products and contaminated materials.

Performance Bond – The awarded vendor shall be responsible for posting a performance bond from a surety company licensed to do business in the State of Connecticut, or an irrevocable letter of credit from a bank equal to twenty-five percent (25%) of the contract price. The bond will be held by the City of New London for the entire contract to protect and ensure deliveries on all open orders from the awarded vendor.

Sample and Testing

At any time, the City reserves the right to take samples prior to the product being metered into the City's tank. The purpose is to determine product suitability in compliance with the State of Connecticut's recognized specifications and standards. The City shall have any and all samples tested by an independent laboratory of its choosing.

Whenever delivered product is deemed unsuitable by the independent testing laboratory, the vendor shall be responsible for the testing costs, product removal, tank cleaning and all product disposal costs. Unsuitable product shall be disposed of in accordance with all local, state and federal laws and regulations. The City may also exercise its right to obtain product from another bidder and the vendor awarded the bid shall be liable for any additional costs incurred by the City.

Whenever product is tested by the City utilizing an independent laboratory and it is deemed suitable, the city shall assume the testing costs.

Whenever damages and/or losses to equipment result through product that does not meet specifications, the vendor shall be charged for damages and/or losses and further shipment shall be suspended until the City is satisfied that the products acceptable per specifications. Any additional costs resulting to the city shall be charged back to the successful vendor. No payments shall be rendered for any product that does not meet specification. The decision of the City shall be final.

Bid Price – All bidders shall provide a fixed cost per delivered gallon, excluding the petroleum Company Gross Earnings Tax and the L.U.S.T Tax. These taxes shall be added as line items on the invoice.
