Part II: Project/Agency Information

A. Proposed Project Description

1. Provide a general description of the proposed project.
 - a. Clearly state exactly what the requested CDBG funds are to be used for.
 - b. Describe the activities to be performed or services to be provided.
 - c. Do you anticipate any temporary or permanent relocation of persons or businesses because of this project? Is so, please explain.
2. Need for the project.
 - a. Explain the need/problem to be addressed.
 - b. Explain how this project will address the needs of the community.
3. Identify the target population or the area that will benefit from this project.
4. Provide an implementation schedule/timeline for the completion of this project. If awarded funding, your agency will have to go out to bid to ensure an open, fair competition for Federal funds. Please allow approximately two months to competitively procure the services of contractors. Community Development Division staff will guide subrecipients in the procurement process.
5. Quote for work to be done.

All applications must provide at least one estimate for the construction work that is proposed. Any construction work over \$2000 requires that Davis Bacon Act labor standards are followed. Prevailing (union) wages shall be paid to all workers (non-owners) for the entire project, whether completely funded by CDBG or not. The quote provided with your application must take into account prevailing wages and must be noted on the quote. **If the contractor you are getting the quote from is not familiar with this requirement, please visit. <https://sam.gov/wage-determination/CT20230024/8>** Once on this page, scroll to New London County, Town of New London and then select the appropriate classification. The wages for various categories of workers will be displayed. If the contractor does not provide his/her employees with fringe benefits, the rate of pay must equal or exceed the rate plus the fringes noted in the wage decision. These wages change periodically and the most recent wage decision will be used when the project goes out to bid. **Davis Bacon Act rules require specific language in all contracts. Please look up Davis Bacon Act requirements or visit www.sam.gov for help. Contact Community Development staff after award and before any request for proposals are solicited if needed.**

6. Reduced funding questions.

- a. If you do not receive the amount of funds requested, how do you propose to administer and/or complete the project?
- b. What items would you reduce or eliminate from your budget?

B. Addressing a CDBG National Objective:

Does your program:

- ☐ Address the needs of low- and/or moderate-income residents?

OR

- ☐ Eliminate Slums or Blight?
-

C. Agency/City Department Information (City departments: write this section as if you are submitting the application to an entity that does not know how your department/program operates. This is necessary to meet the requirements of the program.)
