

Please follow the City's trash disposal guidelines:

Load household trash in bags and place in the City's green 90 gallon containers.

Do not fill the containers so the lid can't close flat.

Do not fill the containers with bulky waste, brush or cardboard.

Trim and flatten cardboard before placing in recycling.

Failure to follow the above guidelines is damaging our trucks, our staff, our containers, and the City's beauty.

No Brush

Proper Container Use

No Cardboard
in trash

No Overloading

No Building Materials

**Thank
You!**

No Bulky Items

Beginning July 1st, containers that are noncompliant will not be emptied.
